

Air Systems Foundation

SCHOLARSHIP ELIGIBILITY GUIDELINES

- Scholarships awarded typically range from \$250 to \$2,500 for students attending a two-year or four-year college/university.
- Scholarships are only available to high school seniors currently residing in Santa Clara County and accepted into a college or to past recipients currently enrolled in college. Exceptions may apply.
- All recipients may be required to attend a recognition ceremony.
- In addition to Santa Clara County high school seniors, one scholarship per year will be made available to the child of an Air Systems Inc. employee that does not reside within Santa Clara County if the child meets all other eligibility requirements.
- Deadline is normally May 15th, no exceptions. Application and attachments can be submitted directly to our email, april.hagopian@airsystemsinc.com. If you submit hard copies, postmark must be May 15th.

REQUIREMENTS

The applicant is responsible for insuring all items below are included with their completed application. Incomplete or late applications and non-official transcripts will not be considered.

- Official transcript
- A most recent SAT and/or ACT scores, only if available
- Academic recommendation letter from at least (1) teachers and (1) counselor
- An essay typed, double-spaced between 2 and 5 pages, addressing at least one of the following topics:
 - Describe the personal qualities you possess that will serve you in accomplishing your academic and occupational goals. Cite an example, past or present, of these qualities in action.
 - What do I consider the biggest challenge facing the youth of today and how can I influence change?
 - What do you see as the role “ETHICS” plays in these topics (choose at least one for your essay): (1) Science and Technology (2) American Politics (3) Global Politics (4) The Environment (5) The Law.
- Provide a photo that represents you and your personality
- Sign and date application

AWARDS

- Finalists will be selected and notified usually no later than June 30th.
- First time finalists are required to be interviewed in person by the Air Systems Foundation Inc., Scholarship Committee.
- Scholarship funds will be sent directly to the recipient's college financial office unless other terms have been agreed upon.
-

The Air Systems Foundation, Inc., is an equal opportunity non-profit organization and encourages applications from all individuals who meet the above eligibility requirements.
